About This Presentation

Safe Harbor Statement

This presentation includes forward-looking statements (statements which are not historical facts) within the meaning of the Private Securities Litigation Reform Act of 1995, including statements concerning the Company's prospects, resources, capabilities, anticipated future financial trends or operating results, long-term growth capability, demand for the Company's products, future plans for introduction of new products and the anticipated outcome of new business initiatives, estimates of market size and opportunities for growth, planned capital expenditures, and potential uses of our capital resources, including statements regarding potential share repurchases, acquisitions or dividend programs. Factors that could cause Nautilus, Inc.'s actual results to differ materially from these forward-looking statements include our ability to acquire inventory from sole source foreign manufacturers at acceptable costs, within timely delivery schedules and that meet our quality control standards, availability and price of media time consistent with our cost and audience profile parameters, a decline in consumer spending due to unfavorable economic conditions in one or more of our current or target markets, failure to successfully integrate acquired businesses, an adverse change in the availability of credit for our customers who finance their purchases, our ability to pass along vendor raw material price increases and increased shipping costs, our ability to effectively develop, market and sell future products, our ability to protect our intellectual property, and the introduction of competing products. Additional assumptions, risks and uncertainties are described in detail in our registration statements, reports and other filings with the Securities and Exchange Commission, including the "Risk Factors" set forth in our Annual Report on Form 10-K, as supplemented by our quarterly reports on Form 10-Q. Such filings are available on our website or at www.sec.gov. You are cautioned that such statements are not guarantees of future performance and that actual results or developments may differ materially from those set forth in the forward-looking statements. We undertake no obligation to publicly update or revise forward-looking statements to reflect subsequent events or circumstances.

Reported Q2 Results

- Q2 2018 YTD revenue flat to prior year
  - Strong Retail growth of 10% with strong growth across several product lines
  - Direct decline of 7% due to phase-down of TreadClimber product sales and MaxTrainer

- Operating Income YTD impacted by product mix and higher product costs
  - Retail margins down due to higher product costs (FX related)
  - Direct down due to product mix and higher costs
  - OPEX down $3.0M, due to lower financing fees and creative productions costs, along with reductions in litigation and trademark costs

2018 Plan and Guidance
2018 Plan Focus

2018 incorporates multifaceted plan to make targeted investments, return business to revenue growth and position NLS for future accelerated OI growth

Approximately $3 - $4 M of incremental expense and $5 - $6 M of incremental CAPEX will be invested in 4 key areas:

➢ Building out new digital technology platforms to support subscription models – launch Q4 2018
➢ Realignment and restructuring of International business model – complete during Q3 2018
➢ Consolidate warehouse facilities and supply chain optimization – complete during Q3 2018
➢ Complete ERP and other systems integration of Octane Fitness acquisition – complete during Q2 2018
Key Initiatives for 2018

➢ Innovation platform investments reflecting a changing environment

➢ Established new International business unit under new General Manager

➢ Systems integration – Octane ERP/financials into NetSuite

➢ Warehouse consolidation – integrated worldwide network supporting family of NLS brands

➢ Enhanced supply chain flexibility
Anticipated Outcomes from 2018 Investments

➢ More integrated & efficient operational infrastructure

➢ Incremental investment in Product Innovation starting to deliver upgraded digital platforms

➢ Broader market access points

➢ Position Company for accelerated growth
FY 2018 Guidance

- Full year revenue guidance range of $431M - $440M
  - Steady growth projected in Mass Retail with larger second half growth anticipated
  - Direct growth projected to be higher in back-end with launch of new product
  - TreadClimber decline only material through Q2 2018
  - Specialty Retail and Commercial channel anticipated to return to growth mode in 2018

- Full year operating income guidance range of $42M - $45M
  - Investments in international, supply chain enhancements, and technology initiatives partially offsetting profit growth
  - Higher product costs expected due to unfavorable exchange rates and material cost increases

*2017 Operating income is adjusted to exclude an $8.8 million asset impairment charge
